MATERIALS

Helmet material: ABS

FEATURES

Helmet type: EN 397 - industrial safety helmets, EN 50365 - electrically insulating helmets for use on low voltage installations
Helmet weight: 475 g
Harness: 6 point
Size adjustment: Wheel ratchet
Size: 53-66cm
Temperature: -30 °C to +50 °C
Head protection features: Molten metal, Lateral deformation, Without ventilation, Electrical insulation
Helm features: Integrated sweatband, Slot for earmuffs
Industry: Construction, Engineering, Energy & Telecommunications
