

Datasheet

TALKIE

OUTDOOR COMMUNICATION SYSTEM

Highlights

- A versatile communication system for outdoor activities.
- Comfortably worn around the neck, on the handlebar or your backpack's strap.
- Auto-repairing Mesh Intercom for unbroken connectivity.
- Noise-free transmission via the sophisticated Sena microphone sensor even with strong winds.
- Waterproof design
- No Wi-Fi or cellular connection needed

Communication

Mesh Intercom provides perfect connection with a near-limitless number of participants regardless of the activity:

- Built-in microphone and speaker for crystal clear communication
- Noise Cancellation with ANC (Advanced Noise Control™)
- Working distance: up to 600 m
- Talk time: up to 6 hours
